ADMISSION

Admission to KCMA is approved by the Admissions Committee of the College. New applicants wishing to enter a particular program at the College should call and request the necessary forms and information. Applicants to professional curricula who complete the majority of their general education requirements at KCMA may be given preference at the time of admission. Admission to the professional curricula is based on departmental admission requirements, previous academic performance, competition with other applicants, and space availability.

The Admissions Committee reviews applicant files continuously throughout the year.

The **Physician Assistant** Program has an application deadline of October 1 for enrollment the following Summer.

The **Medical Sonography** Program has an application deadline of April 1 for enrollment the following fall.

REGISTRATION – GENERAL INFORMATION

SOCHE REGISTRATION - "Southwestern Ohio Council for Higher Education." Students must register through KCMA when taking a course through a SOCHE member college. Approval is needed from student advisor, Records Office and SOCHE member college (www.soche.org).

DUAL REGISTRATION - In situations where SOCHE policies do not apply, a student must obtain a **written statement of course transferability through the records office**. Once equivalency has been established prior to dual registration at KCMA and another institution, **approval of Academic Dean is required** prior to registering at another institution.

CLASS CANCELLATIONS - The College reserves the right to cancel a class with insufficient enrollment.

WEB ENHANCED COURSES - Combine on-campus class meetings with course activities completed via Internet. Identified in the Course Schedule as Section 20.

ONLINE COURSES - Consist of learning activities accomplished via Internet. No on-campus meetings are required. Identified in the Course Schedule as Section 30.

REGISTRATION DATES

REGISTRATION DATES FOR CURRENT STUDENTS –

Will be published on the Web and sent to all students via their student email accounts.
Students who do not register during the specified dates may be closed out of desired courses.

REGISTRATION DATES FOR NEW STUDENTS

Registration information for new students will be mailed to each individual student.

LATE REGISTRATION

Current Students who do not register by the end of the semester will be assessed a $50 late registration fee.
If registration is not completed by end of the semester then current students must wait until the late registration date to formalize their registration.

REGISTRATION STEPS

1. Academic Testing – If applicable (Math, Computer competency exams)

2. Meet with Advisor, select desired courses and secure Advisor's signature.

3. Complete the Registration Form, including *Method of Payment*.

4. Obtain immunization approval from the Admissions Office.

5. Obtain Student Finance Office approval:
   - Current students pay current semester balance in full
   - New students make initial payment or have financial aid in place

6. On the dates listed in the calendar, submit your Registration Form to the Registrar's Office for computer entry and receive a printout of your course schedule and billing statement.

7. ID Cards – You will need a copy of your course schedule to have your ID card picture taken. ID cards will be activated during orientation.

INSTITUTIONAL INFORMATION

NON-DISCRIMINATION POLICY. Kettering College of Medical Arts maintains a policy of equal educational opportunity for all applicants. The College does not discriminate on the basis of age, race, national or ethnic origin, color, gender, nor against otherwise qualified disabled students in the administration of its educational and admissions policies nor in the granting of scholarships, loans and other financial aid, nor in other programs, services or activities.

PUBLIC LAW 93-380 Parents of students termed dependent for income tax purposes are entitle to access the student's educational records. The law also provides for the release of information to College personnel who have a legitimate educational interest, other institutions engaged in research, and certain federal and state government officials. A student may inspect and review educational records and it entitled to challenge the contents of records.

The Registrar's Office is able to clarify the **Family Educational Rights and Privacy Act** to students, parents, or interested parties upon request. In compliance with the Act, this is public notice of public directory information which includes but is not limited to: student's name, address, telephone number, dates of attendance, program of study, enrollment status, graduation dates, date of birth, area of study, awards and most recent education institution attended. Students not wishing to have this information made available must complete the appropriate form which is available through the Associate Director of Enrollment Services within five days of their enrollment date.

CITIZENSHIP. Kettering College of Medical Arts will knowingly admit and retain only those students who are in accord with its objectives and standards which are summarized in the Student Handbook. Copies of the handbook are available through the Enrollment Services Offices upon request and are distributed to every accepted student. All students are expected to know, understand, and abide by these standards. As a private, church-related institution, the College seeks to attract those students whose personal standards are consistent with Christian and professional standards of conduct. Thus, when students apply for admission, they choose to accept the standards of this Christian college and agree to abide by them.

PARKING INFORMATION. Limited free parking is available in the Kettering Seventh-day Adventist Church parking lot across from the College on space availability.

INSTITUTIONAL INFORMATION

BOOKSTORE: A 100% refund will be issued for current semester textbooks returned in their original condition up to the close of the tenth business day of a term. Proof of purchase is required. All credits are processed through the Student Finance Office. No cash refunds are issued from the Bookstore. Books may be purchased by new students with activated Student ID cards. See dates and policy in the Bookstore.

DROP/ADD POLICY. Students must use the official drop/add form, with the advisor's signature, for any change(s) in their registration.

WP Indicates that the student is "passing" when he/she withdraws from a course after the tenth business day of the semester but at least three weeks before the beginning of the final exam period.

WF Indicates that the student is failing when he/she withdraws from a course after the tenth business day of the semester but at least three weeks before the beginning of the final exam period.

*To officially withdraw from any course(s) a student must submit a completed Drop/Add Form, with appropriate signatures, to the Registrar's Office.

Non-attendance at classes or notification to the instructor or department does not constitute official withdrawal.

ADD: See calendar for the last day to add a course.
