				Will need to have taken SPAN 101 or SPAN 102 or have previously taken Spanish courses to take this course. Please contact the instructor if you have any questions.								
				Students enrolling in courses will be expected to use a computer with internet access on a regular basis. Computers with internet access are available in the computer lab and learning commons for student use.								
				HYBRID COURSES - Combine on-campus class meetings with course activities completed via Internet. They will be scheduled in a classroom for the semester, are expected to meet at least 50% in face to face mode, and should have the dates of the face to face sessions identified in the course syllabus. Identified in the Course Schedule as Type HYB .								
				ONLINE COURSES - Consist of learning activities accomplished via Internet. No on-campus meetings are required, but in a few cases an occasional face to face meeting may be necessary. Identified in the Course Schedule as Type OnL . <u>PLEASE REMEMBER that the CPTR online courses only meet for five weeks at a time.</u>								
				(Reserved for Human Biology Students only) Means that the reserve has been removed								
				For Fees and Policies please refer to the website www.kcma.edu . Once there go to "Registrar" then "Class Schedules" then "General Registration Information 2011-2012" you will find .PDF file giving general registration information such as fees and policies.								
				REMOVAL FROM COURSES: The Registrar's Office will automatically remove students who register for reserved courses for majors other than their own, courses they are ineligible to attend because they are not admitted to the major, or do not have prior permission to take the course. Removal from course(s) may cause an issue with financial aid eligibility.
