After July 13th some reserved courses may be opened to all students, except the online reserves will remain until the start of Fall semester.

	<p>7A & 7B Section Numbers: For HMGT students some of your courses are going to a 7 week format. If the section # for the course is 7A that means it is in the first session (Aug. 27 - Oct. 12) and if the section # for the course is 7B that means it is in the second session (Oct. 22 - Dec 14)</p>									
	<p>HYBRID COURSES - Combine on-campus class meetings with course activities completed via Internet. They will be scheduled in a classroom for the semester, are expected to meet at least 50% in face to face mode, and should have the dates of the face to face sessions identified in the course syllabus. Identified in the Course Schedule as Type HYB.</p>									
	<p>ONLINE COURSES - Consist of learning activities accomplished via Internet. No on-campus meetings are required, but in a few cases an occasional face to face meeting may be necessary. Identified in the Course Schedule as Type OnL.</p>									
	<p>(Reserved for Human Biology Students only) Means that the reserve has been removed</p>									
	<p>For Fees and Policies please refer to the website www.kc.edu. Once there go to "Registrar" then "Class Schedules" then "General Registration Information 2018-2019" you will find .PDF file giving general registration information such as fees and policies.</p>									
	<p>REMOVAL FROM COURSES: The Registrar's Office will automatically remove students who register for reserved courses for majors other than their own, courses they are ineligible to attend because they are not admitted to the major, or do not have prior permission to take the course. Removal from course(s) may cause an issue with financial aid eligibility.</p>									
	<p>UPDATED 6/6/2018</p>
