Dean’s List – Winter 2020

In recognition of their academic achievement for the Winter 2020 semester the following students have been placed on the Dean’s List at Kettering College. The Dean’s List honors those who earned a semester grade point average of 3.5 or higher while enrolled as a full-time undergraduate student.

We celebrate their commitment to excellence in their academic pursuits and trust the success they have achieved thus far will become a foundation for even greater accomplishments and achievements in the future.
