I understand this form is used only to appeal to continue receiving financial aid. I understand that I must comply with the academic plan outlined below in order to maintain my eligibility for financial aid. I further understand that failure to meet the requirements will result in my becoming ineligible for additional financial aid in future semesters until such time as I meet the minimum standards of the Kettering College Satisfactory Academic Progress Policy. If I am not meeting the minimum standard in more than one of the Satisfactory Academic Progress Policy requirements, I will need to comply with multiple academic plans.

To Be Completed by the Academic Support Coordinator

Note: The Kettering College Satisfactory Academic Progress Policy for Financial Aid requires all students to maintain a minimum cumulative GPA of 2.0 and to successfully complete 67% of all credit hours attempted (grades of C-, D+, D, D-, F, NG, WP, WF, I, and IP count as credit hours attempted but do not count as successfully completed credit hours). Additionally, students may attempt no more than 150% of the total credit hours required for the degree.

- After meeting with the student and reviewing his/her academic history, we have discussed steps to insure that his/her next semester will be successful. Some of the options suggested include adjustments to his/her course load (prior to the end of the 100% refund period) so that he/she can successfully complete the hours attempted, asking for some additional faculty assistance, tutoring services, etc.

I have advised the above-named student on options to assist in successful completion of his/her courses next semester. By following the advice, he/she should be able to achieve the minimum Satisfactory Academic Progress for Financial Aid standards during his/her next semester on campus.
